NOTICES

As we are entering the time of year when we can expect adverse weather conditions, we would like to draw your attention as to how we can inform you of any school closure.

We are trying to establish a class tree, ie one person is contacted, who then telephones others and the message spreads. We are still looking for a representative from some classes to be the first contact from which we can then form the tree. If you would like to be this person, please let Mrs Davies know. As this system isn't operational in all classes yet, the school's website www.roedean.co.uk is the best way to discover if the school is closed. Once on the website, click the *News, Events and Planning* and you should see a notice stating if the school is closed.

If you do not have access to the internet, please let Mrs Davies know and we will ensure you receive a telephone call.

MINIBUSES

It is our intention to resume the mini bus service tomorrow, Tuesday 12 January.

In the event that certain roads are still impassable the mini bus driver will inform the respective parent of their difficulty in reaching them at that time and proceed as necessary.

Inevitably there will be delays in reaching homes, pick up points and arrival back at school.

Mini bus drivers are in the process of phoning their respective parents of the decision to resume service.
