## DAY GIRL MINIBUSES

The school takes very seriously all aspects of safety with regard to school minibuses. Can we please ask you to reinforce with your daughters the central elements of passenger safety, this being that it is vitally important that they remain seated and belted in at all times when travelling on a school bus or, indeed, in any vehicle. Over the coming weeks this is an important message to reinforce with colder weather and more difficult driving conditions. We would ask that they only take their seatbelt off at the end of their journey when they are due to leave the vehicle. The school will ensure that all its drivers are reminded to restate this safety rule to their charges.
