

Roedean

An independent 11-18 girls' day and boarding school in Brighton

Required as soon as possible

Part-Time DT Technician (up to 14 hours per week)

Roedean is an extraordinary school, sitting in the South Downs and overlooking the English Channel. However, it is not just the location but the strong academic focus, with a genuine belief in the importance of creativity and an all-round education, that makes Roedean unique.

The DT Technician is responsible to the DT Department for technical support, routine maintenance and duties associated with resourcing of the department.

This successful candidate will have workshop skills in wood, polymers and metals, or other transferable skills. Good IT skills including CAM/CAD experience and a good understanding of design, including product design are essential. The post would suit a recent design graduate or someone with experience in creative/design/manufacturing industries who is keen to learn new skills and interested in DT education.

Roedean is at a very exciting time in its development, with innovation, growth and the continued development of first-class facilities at the heart of our plans. We welcome your interest in being part of our continuing journey.

Roedean is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Applicants will be required to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service (DBS).

Please download an application pack from our website (www.roedean.co.uk/Vacancies) or contact Louisa Butler via vacancies@roedean.co.uk.

Closing date: 9am, 5 November 2021. Due to the need to appoint quickly we reserve the right to interview and appoint at any time.
