# Welcome to Roedean

Roedean is an extraordinary school – the girls play cricket and hockey with the sea’s blue in front of them and the green of the South Downs behind them, the Maths and Humanities classrooms have perhaps the best views of any in the country, and which other boarding houses have been likened to a boutique hotel? But it is not just the location, but the strong academic focus with a genuine belief in the importance of creativity and an all-round education that makes Roedean unique.

This is an exciting time for Roedean – we are delighted that the girls consistently achieve excellent academic results. In 2021, the A Level results, which were produced through a combination of assessment in School and teacher judgement were 81.8 % of all grades at A\*-A, and 46.6 % were A\* grades. At GCSE, 75.4 %, were at Grade 9-8, and over half,

52.7 %, were awarded Grade 9. Furthermore, it is noteworthy that nearly many of last year’s leavers went on to study STEM subjects at university, highlighting that the School is bucking the ‘girls can’t do Science’ stereotype. Roedean’s trajectory is very clearly upward, and where it will be in a few short years is a very exciting prospect. These academic successes underline the findings of our exceptional ISI Inspection report which judged Roedean to be ‘excellent in every category’ – the school is certainly ‘going places’ (Good Schools’ Guide), and where it will be in a few short years is an exciting prospect.

Roedean really is a great place to work – I hope that you would like to join us.

**Oliver Blond, Headmaster**

# Why Work at Roedean?

At Roedean, we are seeking dedicated and enthusiastic members of staff, who are keen to prioritise the girls' well-being and happiness at all times. We are looking for those who enjoy working as part of a team, and who appreciate the importance of the girls' all-round experience at school. We are hoping that the girls will become life-long learners, always keen to undertake new challenges and learn

from their experiences, and Roedean has the same wish for its staff; the school is happy to provide support and training to facilitate the professional development if needed. All members of staff at Roedean enjoy strong and meaningful relationships with the girls, characterised by mutual trust and respect, and this was highlighted in our outstanding ISI Inspection report from November 2021.

# The School Today

Roedean now numbers 710 girls, nearly double the figure of 7 years ago, the result of an annual growth of 15%, and it is enjoying markedly increased interest, both from local families and from those in London who are choosing to take advantage of the weekly and flexi-boarding opportunities. There has been an enormous growth in the number of pupils from Sussex and the UK, and there are well over 300 boarders in the School. Roedean brings together students from over thirty-five countries around the world and those who live very locally; these different cultures and experiences add a great deal to the girls' experience, particularly in our increasingly globalised society, and the ISI Inspectors remarked that 'the cultural development of pupils is excellent', and commented on the 'mutual tolerance and respect' which came from the integration between pupils from different countries, and between the day girls and those who board. Over 75% of the girls in

the first three years are from the UK, and, in recent years, many local girls have had the opportunity to join the Sixth Form from state schools nearby, benefitting from the school's Brighthelm Awards.

Our partnership with St Mark's Primary, in the Whitehawk estate, is hugely rewarding for the pupils at both schools – there are over 20 joint weekly activities, and we fund-raised and built a Library on their site from scratch in 2018. Furthermore, the Roedean Academy, a programme of academic enrichment which takes place every Spring term, brings together academically gifted and engaged students from six local schools in the maintained sector with those at Roedean, to challenge their academic expectations and broaden their horizons.

### ROEDEAN'S ETHOS

---

Founded in 1885 by three sisters to provide 'a thorough, physical, intellectual and moral' education with 'as much liberty as is consistent with safety', the school has always broken the mould. Today, Roedean is determined to empower the girls to challenge themselves to realise their considerable potential; they are given the opportunity to grow up at their own pace, not constrained by finite expectations, and they have the freedom to develop their talents and passions. Roedean's ethos is clearly focused on the remarkable benefits of a holistic approach to education, in which academic pursuits are complemented by a wide range of co-curricular activities, and the founding Lawrence sisters would be delighted with their legacy today. With over sixty activities on offer every week, the girls enjoy sea-swimming, international travel awards, Astronomy Club, a farm on the school site, the annual House Drama Festival, and our flood-lit all-weather pitch.

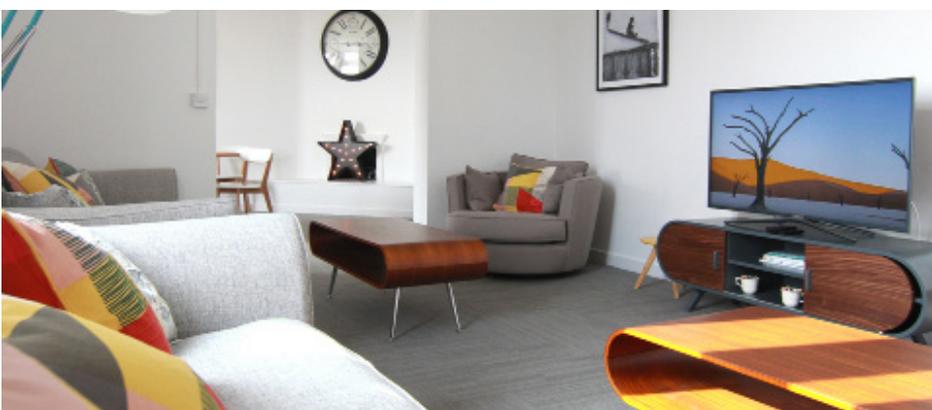

Roedean girls excel in a range of sports, many musicians play beyond Grade 8 level, and two girls last year achieved RAD Advanced 2 in ballet – all such activities have their own intrinsic value, but they also have huge benefits for the girls' academic endeavours. At Roedean, there can be no doubt that the girls' rounded education 'makes a considerable contribution to their personal development' (ISI), and it is precisely this which produces independent and creative young women who will make their mark in the world. In the same way that Roedean encourages the girls to pursue a variety of interests, we expect the staff to be committed to the busy life of this boarding school; it is wonderful when staff join the orchestra or play in the staff-student sports fixtures, and the girls love it when members of staff congratulate them on their role in the previous night's play or the goal they scored in the fixture at the weekend..

### ROEDEAN'S CAMPUS AND FACILITIES

---

Roedean is located on a beautiful 45-acre campus, and owns a further 75 acres of land adjacent to the site. It is the only school in the UK to be set within a National Park and on a coastline, as well as being in the boundaries of a vibrant city. The Grade II listed main building and Keswick House were designed by the leading Victorian architect and Roedean parent, Sir John Simpson, who also designed the original Wembley stadium. The main building incorporates the four main boarding houses, the dining rooms, the Library, and the teaching and administration spaces. Later additions include the Chapel, Science Laboratories, the Theatre and dance studios, the Music wing, Keswick House and Lawrence House. We also have an indoor swimming pool, a Sports Hall, which includes a multi-gym, and numerous playing fields to the front and side of the school. The School recently completed a £10 million modernisation of the five boarding houses, which includes the significant and sensitive redesign of almost 300

bedrooms, communal spaces, and private study areas for both boarding and day girls, and both Tatler and the Sunday Times drew close comparisons with the accommodation in high-end hotels. With a £1½ million refurbishment of the Sixth Form facilities, a small farm on site which opened in September 2016 with sheep, chickens, and pygmy goats, and a new all-weather flood-lit pitch at the heart of the School, Roedean certainly has wonderful facilities and buildings. A Library refurbishment promises to deliver outstanding study, research, and exhibition space within the School's original school hall, further enhancing Roedean's academic provision. We are also at the early planning stages for a Performing Arts complex, including a refurbishment of our 350-seater Theatre, which completed in September.
